

SENATOR MCKENZIE: ...until the following year when they get reimbursement. That is the system as it exists today.

SENATOR ROBINSON: Thank you.

PRESIDENT ROBAK: Thank you, Senator Robinson. Senator Bernard-Stevens, do you have a motion?

SENATOR BERNARD-STEVENS: Yeah, I would like to move to divide the question.

PRESIDENT ROBAK: Senator, I have your request to divide the question. Would you...and your request to divide Section 8 as one section, Section 11, and page 2, line 8 as the second section. Would you please explain how it is that lines 9 and 10 on page 2 are a separate section.

SENATOR BERNARD-STEVENS: It is a totally different topic. One is talking about the extent practical in what they will do at their next meeting. The other one is talking about rules and regs if the process as set out by the department is followed. I don't care if you combine the two together. I just looked at that and it looked like two separate parts to me, but in Section 15, if it is more reasonable to combine those two into one, that, I would have no objection to that.

PRESIDENT ROBAK: Then it is so ordered, Senator, that we will divide the amendment, the Bromm amendment into three sections. Section 8 will be one section. Section 11 will be the second section, and Section 15 will be the third section. Senator Bromm, which section would you like to take up first?

SENATOR BROMM: Madam President, Section 8 first, and then followed by Section 11, if possible, and then the third section.

PRESIDENT ROBAK: Thank you, Senator. Senator Maurstad, to speak to Section 8 of the Bromm amendment.

SENATOR MAURSTAD: Thank you, Madam President, colleagues, I don't know that this will go specifically to Section 8, but I will just make a few comments, and then ask a question or two. Earlier it was indicated that possibly we weren't receiving any feedback from administrators or those involved in the system or patrons, and I certainly have been receiving quite a bit of feedback the last few days from...even from along the lines that
